### All about me

Hello everyone! My name is Ms. Ezia Al Jarfi, I am from Yemen. I have been working in UAE schools since 2002. I am the Arabic and Islamic teacher for both Arabs and non-Arabs.

I love teaching and I am currently studying my PHD in Education Technology which will help me to further improve my teaching methods. I believe in guiding children to learn values, manners and knowledge whilst helping them gain confidence.

During my 14 years of teaching, I have noticed downfalls in teaching Arabic to non-Arabs and I continue to strive towards more effective teaching methods so that children understand the importance of studying the local language. I hope my pupils will be as passionate about the Arabic language and the UAE as I am. It is important that they learn the culture and traditional life of the country they are living in.

Teaching is a joy and I commit to it with honesty and love.
