

Meet Your Teacher

Your new teacher is:
Mrs Speed

This is me:

All about me

Hello I'm Mrs. Speed and I'll be your child's teacher next year. I'm from London and have been teaching for sixteen years.

Dubai is an incredible place to live and teach as the diversity of everyone you meet from all over the world is wonderful, and you can learn so much about so many cultures.

I love observing children learn and with this knowledge adapt learning opportunities to suit each child, so everyone leaves school each day with a sense of achievement. I really looking forward to the next academic year, and can't wait to meet your child in August. Have a wonderful summer.
