

## Meet Your Teacher

Your new teacher is:  
Mr Walker

### All about me

I have been teaching for 20 years, 15 of which were in Kuwait. Moving to Dubai and working at Dovecote Green Primary School is an exciting prospect for me. I am moving to Dubai with my wife, who is also a teacher, and two sons.

During the 20 years of teaching I have had the privilege working with students aged 3-18. My experiences have included working as a Head of Physical Education, Head of House and most recently Head of Year.

I am looking forward to being an integral part of the children's progress at Dovecote. I strongly believe physical education is at the forefront of their growth as it provides opportunities for physical, cognitive, social and emotional development. My lessons are based around enjoyment and engagement. Students are guided through learning experiences encouraging collaborative and cooperative play.

Sport is a big part of my life. I am a keen footballer and cricketer but also have participated in many triathlons including completing an Ironman in Switzerland.

I hope you have a great summer holiday and will see you in August.
