All about me

Hello! My name is Miss Smith and I am very excited to start at Dovecote Green Primary school. I can't wait to meet you! I am from a country called Wales which is in the United Kingdom, but have lived in Sharjah for the last two years. I have been teaching for 6 years in total and in my last school, Scholars International Academy, my role was Year 4 co-ordinator. I have also experienced teaching in FS2 and Years 1-4, so am looking forward to teaching in FS2 again and bringing lots of new ideas!

A passion of mine is learning about different cultures and I am lucky enough to have travelled to lots of different countries including Germany, Thailand, Vietnam, Cambodia, Australia and New Zealand. I enjoyed visiting these countries so much that that's why I decided to move to Dubai. Dubai is my favourite place because there are lots of fun things to do and the weather is always sunny! Although it rains a lot in Wales, I do like to visit in the holidays to spend some quality time with my family. My other interests are cooking, exercising and reading at the beach.

I look forward to starting my next journey with you at Dovecote Green. I know we will have lots of fun together in FS2 where you will build on everything you have learned in FS1 and strive to be super learners!
