### All about me

Hello everyone! My name is Miss Gibbs. I have been teaching for about ten years now in schools in Devon, in the south west of the UK, and have taught every year group in the KS2 age range. I am currently working at Uffculme Primary School as Key Stage Two leader, maths, ICT and assessment coordinator and Year 6 teacher.

I am looking forward to moving to Dubai in the summer and starting at Dovecote Green Primary School. I'm really looking forward to meeting everyone and can't wait to be teaching in lower KS2 again! Year 3 is a really important year as the children move into KS2, learning and developing more independent learning skills.

When I move to Dubai, I will be living with my sister, her husband, and their twin baby girls; I'm really looking forward to spending more time with my nieces and watching them grow. In my spare time, I love making clothes for myself and friends, and spend a lot of time knitting and sewing.

I hope you all enjoy your summer break and I look forward to meeting you all at the end of August!
