### All about me

Hello everyone! My name is Miss Wilkes. I have been teaching for 4 years and I am from Manchester in the North of England! I have been working in Dubai, teaching for the past year and I absolutely love it! I have enjoyed getting to know so many children from lots of different cultures and backgrounds. I am really excited to be coming to work at Dovecote Green Primary School as it has a small community feel and welcoming atmosphere. I am also looking forward to sharing some of my keen interests with you at school, which are Computing, French and English! I'm really looking forward to working with children in a number of classes and working with the new teaching team. Have a lovely summer holiday and I look forward to seeing you all in the new academic year.
