

Meet Your Teacher

Your new teacher is:
Mrs Healy

This is me:

All about me

Hello everyone! My name is Mrs Healy. I come from Kilkenny, which is in the southeast of Ireland. I relocated to Dubai 8 years ago and live here with my husband and our son. I have experience in teaching Early Years, Key Stage 1 and 2 during my 13 years as a teacher. This will be my second year teaching in Dovecote Green and it has been very exciting to be part of the development of a new school. I love teaching and I am very passionate about what I do, and strive to build a positive, happy and engaging learning environment for all children to grow and learn. Outside of work my hobbies include reading, swimming, running and spending time with my family. I hope you all have a restful and enjoyable summer holiday and I look forward to seeing you all in August.
